

Problem-Solving Initiative

Sum Grid

(Difficulty **medium** - **difficult**)

Fill in the missing numbers with the digits 1 to 9. A diamond shape in the middle means that the four numbers around it add to 20.

Each uses a different way to add to 20, i.e. if there is already $1 + 3 + 7 + 9$, then there will not be another using the digits 1, 3, 7 and 9 (in any order).

The same digit isn't allowed to touch, even diagonally.

Problem-Solving Initiative

Answer:
